MATTAPOISETT CHRISTMAS DECORATION

One of the great pleasures of this season is the beauty of the lighting displays which are built every Christmas by town residents, businesses and the churches and town buildings. Starting with the beautiful little Christmas tree on the wharf the gay and colorful Christmas lights make every street and road in Mattapoisett beautiful.

The St. Anthony Rectory, brilliant in lights and choral figures, will receive an award as best in the public building class. Second in this class is the floodlit Congregational Church and third, the Fire Station with its Christmas card greeting. The library lights are very beautiful as always, and the St. Anthony Church is outlined in lights to make a colorful and outstanding display.

In the business division, Pleasant View Gift Shop, decorated by Mr. Henry Dunseith, receives first award. There is much to see at Pleasant View and it is both pretty and imaginative. The flying sea gulls and the large wolf, snowman, wishing well and Santa Claus by the Christmas tree make this stop a delightful one. Hagen's Toy factory, second in the business class, features 4 brilliantly lighted Christmas trees and lighted fence. Frank's Market, third, has colored lights twisted in greens outlining a Santa Claus. The Drug Store is very beautifully lighted and has a Santa entering the chimney. The Silver Gull features Santa and sleigh pulled by 8 tiny silver gulls complete with bright lights and snowman.

In the outside display of private homes Mr. and Mrs. William Croft's home on Linhares

Avenue off Water Street receive first award. The little church organ player and choir together with the lighted house is very beautiful. The home of Mr. and Mrs. Thaddeus Walega on North Street receives second award in this class. Their home features a manger scene with many brilliant lights on shrubs and home. The third award will be received by Mr. and Mrs. William Humphrey on North Street, an outstanding display among many on North Street.

In the window display of private homes, the home of Mr. and Mrs. Henry Solomon receives first award. The large picture window of their home on Marion Road is decorated with stocking and toys and includes the whole room as a background. Mr. and Mrs. Harold Banks of Oakland Terrace will receive second award.

For the decorated door class Mr. and Mrs. Manuel Linhares of Beacon Street received first award; Dr. and Mrs. Leonard Pacheco of North Street, second award and Mr. and Mrs. John Doran of Cannon Street, third. There are many, many beautiful doors displayed in Mattapoisett.

We would like to mention all displays but the number of decorated homes make it impossible. Congratulations to everyone for a brilliant Christmas season. We know that

everyone will enjoy the ride through every part of the town because of the spirit and imagination of our citizens.

The Christmas lighting display is sponsored by the Mattapoisett Improvement Association. Walter Daniels served as chairman. Judges were Miss Ruth Atkinson of New Bedford and Donald Jason of Mattapoisett.

WINDOWS AT CENTER SCHOOL

Pupils of the Mattapoisett Center School decorated their classroom windows for the Christmas season and as a part of the Christmas display, sponsored by the Mattapoisett Improvement Association. On Thursday a committee from the P-T C, comprised of Mrs. Murray DeCoffe, Mrs. Richard B. Young and Miss Marie Gendreau, inspected and judged the windows. All were fine and it was hard to decide on the winners. Winners are: first through third grades, Mrs. Martin's first grade; fourth through sixth grades, Miss Cushman's fifth grade and seventh through ninth grades, Mrs. Agnalt's ninth grade.

The fourth grade designed a stained glass window for the play scene in the auditorium.

MISS JEANNE RAYNARD DISPLAYS CERAMICS AT WOMAN'S CLUB MEETING

Miss Jeanne Raynard of New Bedford gave a talk and demonstration of ceramics at the meeting of the Mattapoisett Woman's Club held last Thursday afternoon in the vestry of the Congregational Church. Miss Raynard, introduced by the program chairman, Mrs. Leonard Burnham, gave a history of ceramics which date back to the 20th century B.C. when the Egyptians who had an abundance of clay used it in their building designs and temples to their Gods.

There are 3 proccesses in the present day use of ceramics, namely free form, slab and coyle building. Miss Raynard had many pieces on display that she had made. She also demonstrated two different processes on two different pieces of pottery.

The business meeting was conducted by Mrs. Howard H. Smith and devotions by Miss Dorothy L. Fox. Announcement was made of the Holiday Dance to benefit the Scholarship fund and to be held this Friday night, December 27th, at the Silver Gull. Tickets may be obtained from the chairman, Mrs. George Montgomery.

At the last meeting of the American Home group at the home of Mrs. Milton Smythe, tile painting was done, and an exchange of gifts during the coffee hour. The next meeting will be held on January 16th at the Town Hall when a speaker will be present to speak on "Courts and How They Affect You".

Twenty-five ditty bags have been filled and sent to the Chelsea Naval Hospital as part of the Veterans' service. Mrs. Robert Rothwell, chairman, read many notes received from the patients who had received the ditty
